Dear Nthabiseng,

**RE: LETTER OF THANKS - DONATION**

DINNER WITH THE STARS FUNDRAISING EVENT  
NEONATAL UNIT REFURBISHMENT CAMPAIGN

On behalf of our tiny patients, their families, our medical staff and all of us at Newborns, we'd like to thank you SO much for the generous donation of your special handcrafted handbags and discount vouchers to be used as prizes for our fundraising dinner on the 15<sup>th</sup> June 2013.

We are so appreciative not only for the generosity you have shown with your beautiful products, but also for your incredible generosity of spirit and being so willing to contribute to our worthwhile cause. The support and generosity of donors such as yourself, allows us to continue providing a much needed service to the tiny babies whose lives are in our hands on a daily basis.

Your donation has directly assisted us with our LITTLE by LITTLE campaign, which is raising funds to expand and refurbish our Neonatal Unit. The essence of our campaign is that if we can encourage everyone just to do a LITTLE bit, all the LITTLE bits will eventually add up to a lot! Thank you for your wonderful contribution and for living up to your company's name and sharing the LOVE with us!

We are really proud of the positive impact we are able to have on the communities we serve and look forward to continuing to work together to help make a difference to the lives of our tiny patients!

With much appreciation from the Board of Newborns Trust, our tiny patients, their families, the team at Groote Schuur Hospital and the Newborns Fundraising and Marketing Team.

**EVERY BABY COUNTS!**

Yours Truly
